Relief asked for city sewage rate

By JEFF BROWN

BELLE GLADE—When the City Commission raised sewage rates earlier this year, it hit some customers harder than others.

Like the Belle Glade Housing Authority.

While everybody else was paying an increase of about seven cents per gallon, the authority's rates went up 49 cents per gallon.

That disproportionate increase was a result of previous city managers interpreting the contract between the city and authority as meaning increases in rates will not apply to

the authority.

Those city managers are gone now, and a new one is in charge of such things. He interpreted the contract differently. Rolfe Wagner figured rate increases did apply to the authority. So, when rates went up for the rest of the city recently, they also went up for the authority.

Way up.

All those rate increases from years past that weren't levied were tacked on.

As a result, the authority's rate per gallon went from 31 cents to 80 cents.

The Director of the Housing Authority, David Motes, attended the commission's meeting Tuesday, Dec. 15, to ask for relief.

The authority is in the middle of a budget year, and to have new rental rates approved reflecting the increased sewage rates would take six months, he told the commission. That approval has to come from the Federal Housing Authority.

The increased rates are being absorbed by the authority's budget with no chance to pass the cost on to the consumers.

The recent increase of 49 cents

jumped the authority's rate by more than 150 per cent.

And another rate increase is expected in the Spring to correspond with the sewage plant improvement bond.

According to Motes, the authority had expected an increase of about five per cent when it made up its 1981-1982 budget.

Commissioner George Goforth said the city should consider some relief for the authority, but it should not be long term. He suggested it shouldn't cover any time period longer than a fiscal year.

He also suggested the city set a schedule to get the authority's rates back in line and give the city a chance to adjust its rent and fees with FHA approval.

The Commission approved a motion to help the authority out of the dilemma. Under the proposal, half of the new rate increase will be levied immediately, bringing the rate up to 55 cents.

The other half will be levied in October 1982.

New development may come to city

SOUTH BAY—The City of South Bay could be the site of a new major business development if a new zoning request is granted.

The Commission heard the reading of a resolution requesting the city annex approximately 20 acres of land into the city. The land is located on U.S. Highway 27 between Terry's Restaurant and Swifty's Food Store. City Clerk Virginia Walker said the annexation request was filed by Palm and Paula Brady.

The Commission agreed to set a public hearing for the annexation.

The Brady's are also requesting the Zoning Board change the present zoning from agriculture to business.

Mrs. Walker said the Brady's zoning request said the land will be used to construct a restaurant and a

number of other businesses.

Vice-Mayor Ray Sullivan said he was in favor of the annexation request because the land, if annexed into the city, would bring the city more tax revenue.

The property as listed on the annexation request is appraised at \$480,000.

In other business, commissioners—Set a public hearing for an amendment to the Land Use Plan.

Amended the City Employee Pension Plan. The city's present plan calls for employees to participate in the pension plan voluntarily. Mrs. Walker said an employee also could elect to participate in the plan anywhere between a rate of one and five percent. She said the city also matches what each employee pays into the plan.

Justice complex builder warned

BELLE GLADE—Palm Beach County Commissioners, acting on the advice of County Engineer Herb Kahler and architect James Anstie, issued a strong warning to Twin Construction, Inc. of Pompano Beach to remove its superintendent and concrete and masonry subcontractors immediately.

The county's \$4.6 million Glades Criminal Justice Complex presently under construction behind the Glades Office Building is beset with construction problems.

Most of the problems entails masonry work and structural concrete forming. Anstie said attempts to get the company to correct errors, omission and very poor workmanship have been unsuccessful for months.

The commissioners ordered the Twin Construction to redo defective work within seven days on a number of projects or there would be no further payments made to the construction company.

In a letter to the company, Commission Chairman Frank Foster said, "The quality of your workmanship, resulting from your inability to control your subcontractors, is a disgrace to the construction industry, and thus we find it necessary to write the Construction Industry Licensing Board to review this job site."

Foster also said the commission will remove the company from any consideration for additional county work until it proves it can produce an acceptable work product.

Groundbreaking for the 97-bed jail, additional courtroom and sheriff's substation was held in April.

In the event the county's decides to fire the contractor, the project would have to be completed by the bonding company underwriting the firm.

When the county put the project out for bid only Twin Construction made a bid on the project.

A spokesman for the International Brotherhood of Electrical Workers told the commissioners that the construction company is non-union and doesn't have qualified people.

Christmas cantata to be presented

The Chancel Choir and Hand Bell Choir of the Community United Methodist Church will present their Christmas Cantata, "Christmas Festival", compiled by John F. Wilson.

Featured soloists will be Rachel Hollingsworth, Becky Watson, Carol Schmitt and Milton Carpenter.

The Chancel Choir is under the direction of Carol Schmitt, and musical accompanist is Karen Corbin.

The Hand Bell Choir is under the direction and leadership of Karen Corbin, Jane Thompson and Jane Schoenfeld.

The cantata will begin at 7:30, Dec. 20th. Everyone is invited to come.

Frost:

Did it hurt crops?

By JEFF BROWN

BELLE GLADE—Twice last week, the temperature dropped to 32 degrees Fahrenheit, creating frost conditions for some of the Glades.

Did the frost severely damage the local cane and vegetable crops?

"It's a little early to tell," said Charles Schiele, general manager of the Sugar Cane Growers Cooperative of Florida. "There is no question there was some damage to stubble cane. The mill cane was damaged to varying degrees from light to moderate. Fifty per cent of our fear is directed at the plants coming back after harvest. If they were affected, we don't get the growth we should next year."

Schiele said most of the frost was confined to pockets and that the areas closest to Lake Okechobee were less affected than the areas further away.

"It's not something that presents a great problem," he said.

A spokesman for Pioneer Growers Co-op said "nothing catastrophic" happened to any of its growers' crops.

"One grower lost a little sweet corn," he said. "One night, some growers flew helicopters and saved their crops. There was some ice in the celery tops, but nothing detrimental, and the leaf crops appeared to come out of it unscathed. Radishes, they aren't affected at this time, but that's not to say it may affect them later."

Growers used the helicopters to keep the air around their crops moving.

The Third winner in the Pahokee Chamber of Commerce Shop at Home Contest is Mrs. June Alejandro. Mrs. Doris Wetherington, left, presents the check to Mrs. Alejandro as her son Jeffery and Mrs. Joyce Gilbert, head cashier of Thriftway of Pahokee looks on.

Shop at home winner chosen

PAHOKEE—Mrs. June Alejandro of 231 S. Barfield Hwy., won \$75 in the third weekly drawing in the Pahokee Chamber of Commerce Second Annual Shop at Home Contest.

Mrs. Alejandro received the check from Mrs. Doris Wetherington, a member of the Chamber of Commerce, Tuesday at Thriftway of Pahokee.

Mrs. Alejandro entered the contest at Thriftway, one of the numerous Pahokee businesses

participating in the contest.

Mrs. Alejandro said, she only entered the contest at Thriftway Sunday evening while shopping for a birthday cake for her son, Jeffery.

"When Mrs. Linda Moss called me Monday and said I had won, I thought she was kidding," said Mrs. Alejandro.

"When Jeffery heard I won the contest on his birthday, he asked me if I was going to give him the

Other increases, such as the increase expected this Spring for the bond issue, will be attached as they come up.

In other business, the Commission—

—Heard a request from Calvin Clay, president of the Glades Central Athletic Council, and Ben McCoy, Glades Central football coach, that during athletic events, parking be restricted on the segment of Fourth Street running adjacent to the school's stadium.

According to McCoy, individuals park automobiles and vans beside the fence and sit on the roofs of the vehicles watching the games.

They disturb the athletes sometimes with loud radios and obstruct traffic, he told the commission.

Police Chief D. Bill Mathis said he would restrict parking in that area during games.

—Authorized Community Development Director Remar Harvin to explore the possibility of acquiring two plots of land adjacent to the Wee Care offices on S.W. 10th Street.

Gretchell Singleton, chairman of the board of directors of Wee Care, Inc., informed the commissioners that the owner of the property was interested in selling a plot of land on the northwest section of the building by Dec. 31. Singleton said he believes the price of the land would be between \$7,000 and \$9,000.

A second plot on the southwest section would be offered for sale in 18 months, according to Singleton. The city would be given the first opportunity to purchase that plot. If they bought the northwest plot.

According to Commissioner William Grear, the southwest plot would coincide with expansion plans made for the center.

"I would like to see consideration given to purchasing both lots," said Grear.

"The land is not cheap," said Singleton, urging the commission to negotiate with Sunset Heights Corporation to purchase the northwest, 66' X 66' plot of land. "The price is increasing all the time. If we acquire this now, Wee Care can expand long

after we are gone."

"The first big problem that we have is the budget that you've heard and read so much about," said Mayor Thomas Altman. He also mentioned Housing and Urban Development guidelines which must be strictly adhered to.

—Approved a Mutual Aid Agreement with Palm Beach County. The agreement makes the city part of the 911 emergency system.

Police Chief Mathis explained the 911 system to the commissioners and invited them to visit the station and examine it.

—Instructed City Attorney John Baker to document the terms under which the city will sell two bulldozers to the Palm Beach County Solid Waste Authority.

The city will sell two bulldozers, a Caterpillar and an Allis-Chalmers, to the authority for \$40,000. That sum will be paid to the city over a two year period with no interest.

—Voted to send a letter of concurrence to the United States Postal Service concerning its plans to search for a new location for the Belle Glade Post Office.

The Postal Service is conducting a study to determine whether a new post office site is feasible.

—Accepted a bid from Motorola for radio communications equipment to be used by the police department and the fire department.

The city will be purchasing two Motorola Compacts at \$3,740 apiece.

With modification and installation fees, the total cost will be \$5,893.

—Donated \$279 to the Women's Civic League for their Christmas Celebration.

—Approved \$279 to send the Lakeshore Safety Patrol to Washington D.C.

—Agreed to donate the rental fee for the Lakeshore Civic Center back to the Glades Festival of Afro Arts Committee. The committee will be holding a fundraising dance at the center Saturday, January 23, 1982.

—Approved by motion the revised employee pay plan. The pay plan and civil service guidelines will be approved by resolution at a future meeting.

Prior to winning the Shop At Home Contest, Mrs. Alejandro said she only had won a door prize approximately five years ago.

Mrs. Alejandro, a housewife is married to Santos Alejandro and they are the parents of three sons.

This week's winner from Thriftway joins winners, Juanita Hanks and Barbara Freeman as Shop At Home Contest winners.

The final drawing will be held Dec. 21 and the lucky winner will receive \$100.

The Pahokee Chamber of Commerce Board of Directors are sponsoring the contest in hopes local residents will shop at home this Christmas.

The first winner registered for the drawing at Circle S Pharmacy and last week's winner came from the First American Bank of Pahokee.

Local businesses participating in the contest are Royal's Department Store, Biff Burger of Pahokee, Pahokee Army Store, Pahokee Ford-Mercury, Inc., Thriftway of Pahokee, Paul's Inc., S Pharmacy, Anita's Cuts 'n' Curis, Circle S Pharmacy, Western Auto, Glades Merchandise, Raskley's Dry Cleaners, Pee-Hokee Hardware, Hendrix Ace Hardware, Bank of Pahokee, First American Bank, Pahokee Shoe Repair, Everglades Federal Savings and Loans, Paul's Parts and Equipment, Balnes Superette, Lake Equipment, Carter Chevrolet, King Bee Grocery, Badcock Furniture, Leonard Dobrow Accounting, Swift Food Store, and Milton Carpenter Insurance, Inc.

South Bay—

Mrs. Walker said if the city requires each employee participating in the program to pay in five percent, the employee could see a larger amount of interest paid on the money.

Acting City Manager Lomax Harrelle said all of the employees currently having a pension plan are paying in at five percent.

Agreed to make land available to the Palm Beach County Community Development Department.

Harrelle said the land was needed to construct a 24 by 50 foot building in which home owners could store their furniture and other personal items while participating in a housing rehabilitation program funded by CDD.

Harrelle said the land was available at Northwest Eight Avenue, and once the program is completed, the city would own the

building and it could be used for a recreation building.

The building would be constructed at no cost to the city.

Approved the purchase of \$7,000 worth of park equipment for the two parks presently under construction by the city. Harrelle said the equipment would be made out of wood and is similar to the equipment used by the City of Belle Glade in its parks.

Passed an anti-bitch-hiking ordinance within the city limits.

Accepted a bid of \$16,876.00 from Doug Lockhart Ford for the purchase of a new trash truck.

Postponed the naming of the city's two parks presently under construction until the next regular city commission meeting.

Agreed to close city hall at noon on Christmas Eve.

Teets takes part in Greek Week

DELAND -- David Teets of Belle Glade was one of several student leaders at Stetson University, serving as chairman of one of the sub-committees of the annual Greek Week Competition.

The annual program held in November, consists of numerous

events with campus fraternities and sororities competing against one other.

The bed race, which is traditionally the largest event, was hotly contested this year.

Delta Sigma Phi won first place in the fraternity competition and Alpha Chi Omega took

first place in the sorority competition. The chief purpose of the race is to raise money for the Stetson library fund. This year more than \$600 was collected.

Teets served as co-chairman of the Points Committee along with Beth Thompson of Largo.

An argument for 4-laning

State Road 80 has needed to be four-laned for years and no one knows it better than the residents of the Glades.

There are many reasons why four-laning is essential, but none more important than one spotlighted by an incident last week.

Traffic was interrupted for about three hours between 20-mile bend and Royal Palm Beach by an accident, occurring in early morning fog. Chances are, there wouldn't have been an accident if the road had been four laned. And even if there had been an accident, the road wouldn't have been completely closed.

Portions of SR 80 are in horrible condition, a situation which will partially be alleviated

hopefully in 1982 with the re-surfacing of a portion of the road.

The re-surfacing, however, will not relieve the congested conditions along the route, which is used heavily by private, commercial and agricultural users.

The Glades' only artery to Fort Myers and West Palm Beach can be too easily cut. We hope that Department of Transportation officials will keep this fact in mind and include this project in the DOT five-year plan. We understand that the plan is now being re-evaluated and this would be an ideal time to include four-laning for SR 80.

About the vets

We all like to think we are normal, whatever that is, and lot of Vietnam veterans are unhappy with the constant image painted of them in the media as psychotic killers, drug addicts, and drifters unable to hold a job.

I was pleased to see Newswatch magazine come out with a major study this week on Vietnam veterans. The study focused on the survivors of an infantry company which served near the Cambodian border in 1968 to 1969.

At the end of the six-month study, CBS gathered the veterans at Marathon, Fla. for a reunion and broadcast the results this weekend.

For many, it was the first time that they had been able to talk about their experiences. Few had kept in touch with each other since leaving Vietnam. It was a remarkable broadcast, showing the unrelenting memories and emotions long held in check.

Many of the veterans remained proud of the unit they played in the war, although they were unhappy with the outcome and the loss of life.

The experience was troubling to some, but most seemed to have resumed "ordinary" lives as "ordinary" citizens as one veteran described the group.

If you missed the broadcast, pickup the magazine this week. It documents one of the most unusual reunions ever.

Just released is a Department of Justice study showing Vietnam era veterans are less likely than non-veterans to be in prison.

"The study debunks still another derogatory myth about our youngest group of veterans," said Carlos Rainwater, St. Petersburg Regional Office Director.

"Quite frankly, I have been dismayed at the attention given to unfounded suicide, drug use and unemployment statistics about our Vietnam veterans. None are supported by credible studies," Rainwater said.

The Veterans Administration reports that Vietnam era veterans are the best educated in United States history and the vast majority are working full-time with many earning above average incomes in high level occupations.

Florida at fault?

Florida has a major geological fault — much like the San Andreas fault in California — which was last active about five million years ago when South Florida slipped sideways 15 1/2 miles, a University of Florida professor said Dec. 5.

The fault cuts across the state from Melbourne to Cedar Key, running through Lake Apoka.

Never fear, however, because Dr. Kally Brooks, visiting professor with the University of Florida's Institute of Food and Agricultural Sciences told the American Society of Photogrammetry that evidence indicates no seismic activity since Pliocene time (about five million years ago).

Doesn't seem to be any prospect of South Florida sliding away from the mainland and becoming a Caribbean isle.

Area residents elected to ASCS committee

Results of the December 9 election of ASC Community Committee persons for 1982 were announced Dec. 10 by Marie L. Wilkins, County Executive Director of the Palm Beach County Agricultural Stabilization and Conservation Service.

Out of a total of 967 farmers who were eligible to vote, 176 votes were cast. Farmers elected to the committee were:

Belle Glade Horace Harris, Chairperson; J.W. Markham, Vice-Chairperson; James Chambliss, Regular Member; S.C. Pate, First Alternate; Karl Larsen, Second Alternate.

Pahokee Robert B. Simmons, Chairperson; Roger Hutton, Vice-Chairperson; J.H. Wilkinson, Regular Member; William Kennedy, First Alternate; Dale Erickson, Second Alternate.

Coastal E. Wayne DuBois, Chairperson; John Whitworth, III, Vice-Chairperson; Ted Winsberg, Regular Member; Michael Scott Brown, First Alternate; Dick Ametoy, Second Alternate.

The recently-elected ASC Community Chairperson, Vice-Chairperson and Regular Members become delegates to the County Convention to be held December 15 at 3:30 p.m. in the Belle Glade ASCS office. Alternates will fill in for committee members unable to attend the convention. Delegates to the convention will elect a County Committee Chairperson, Vice-Chairperson, Regular Member and two Alternates for the coming year.

ASC County and Community Committees are in charge of local administration of such national farm programs as the Agricultural Conservation Program, Food Grain Program, Work Incentive Payment Program and Commodity Loans.

Dog, detective finish course

By JEFF BROWN

BELLE GLADE—Jago Siegfried Sbrunnen may not speak English, but he'll collar you anyway if he thinks you broke the law.

Just ask the man Jago found under a semi-truck last week.

Jago was trained to find people and things—including illegal drugs, kidnap victims and stolen property.

He and his master, Palm Beach County Sheriff's Department Detective Thomas Lee Brooks, just completed a 16 week course at the Palm Beach County Canine School.

Jago is a dog. For sixteen weeks, he and Brooks went through a grueling course set up by master trainer Tom McGinn. The course trained them in various aspects of their work, including locating drugs, people and things above ground and buried.

Last week, Brooks and Jago received three plaques for completing the course. They graduated from the class Dec. 4.

One plaque was presented on behalf of Sheriff Richard Wille, one was presented from McGinn and another in recognition of the two completing the course.

Jago (pronounced YA-GO) is one of four dogs the county imported from Germany last March. Each dog cost the taxpayers \$5,600, but since March, Jago has made four apprehensions, assisted in ten others and recovered at least \$2,000 worth of stolen property, according to Brooks.

Jago is a Schutzhund class three, which is the highest classification used in Germany, according to Brooks.

Last Spring, Brooks and Jago went through a ten day course taught by nationally known

trainer John Preston.

Since he came over in March, Jago has lived with Brooks and his wife.

"He never ceases to amaze me," said Brooks. "He's unlike any dog I have ever seen. If I tell him to sit in a corner, he'll stay there until I tell him he can move. If I leave and don't tell him he can move, when I come back, he'll still be there."

All the Sheriff's dogs have been taught to obey German commands, said Brooks. There are several reasons for this. German commands are more sharp and easily recognized by the dogs.

Also, a suspect would not be as easily alerted that a dog is watching or pursuing him if he hears the German commands.

Brooks and his wife are the only ones who can handle Jago.

As part of the 16 week canine course, Brooks and Jago trained all over the county.

"One day, we'd be at a range and the next we'd be in a swamp, in full uniform," said Brooks.

"His master, trainer McGinn, philosophy behind this is that you aren't going to work on a routine, therefore we aren't going to train you on a routine."

Nine teams went through the course, seven from the county and two from Delray Beach. Two dogs dropped out before completing it.

McGinn, who developed the course, spent 19 years with the FBI and trained in Germany, Italy and England. He worked on famous cases such as the Jimmy Hoffa case, the Patty Hearst case and the Shady Gap case.

According to Brooks, McGinn had provided security for several Presidents and dignitaries, including Gerald Ford and Anwar Sadat.

4 inmates at large

BELLE GLADE—Four inmates who escaped from the county jail through a second-story window are still at large.

Detective Sgt. Harry Driggers of the Belle Glade Police Department said the four apparently pried loose some bars and kicked out a window escaping from the cell at approximately 9 p.m. Sunday. The inmates were not discovered missing until 2 a.m.

The four escapees are Bobby Keller, 24, a white male of 127 Osceola Center, Harold Green, 19, a black male, of 532 S.W. Ninth St., James B. Williams, 22, a white male of 800 S.W. 16th St.,

and Leon L. Brown, 37, a black male from Hollywood.

Keller was being held on a grand theft auto charge, Williams was being held for violation of parole and Brown and Green were in jail on burglary charges.

There were approximately 10 men in the cell but only these four sought freedom.

Persons having any knowledge of the whereabouts of these men are asked to contact the Belle Glade Police Department or the Palm Beach County Sheriff's Department Glades Substation.

Matching Stella's swim will be tough

BELLE GLADE - The Black Gold Jubilee Committee is finding it hard to top last year's swim across Lake Okechobee by Stella Taylor.

So far this year, the committee has considered, and rejected hot air balloon races and an appearance by Mel Tillis.

"Our biggest problem will be trying to top the Stella Taylor thing and I don't know what we're going to do if we do anything," said Committee Chairman Steven Weeks.

"Perhaps it isn't a problem," he said. "Maybe we're trying to do something we can't. What we offer is enough, maybe."

The festival will be just about the same as in prior years with the possible additions of a rabbit race and a jazz festival.

The committee is also looking into

the possibility of hosting a high school jazz band festival at the marina.

One of the proposals involved holding a competition and awarding the winning band a scholarship for its program.

A hot air balloon race was considered unfeasible because of the wind and weather during the April weekend.

A performance by Mel Tillis or any other major vocalist was financially improbable.

The committee will try to make tapes to run on area radio stations as public service announcements prior to the festival.

If the tapes cannot be made for free, it is possible they could be made for as little as 40 cents apiece.

SPECIAL RECOGNITION for service to community was given to Sandra Chamblee, left and Charles D. Goodlett.

The Masonic Lodge gave them the certificates Tuesday night.

Junior Womens Club members meet for Christmas

BELLE GLADE - The JWC Belle Glade Junior Woman's Club met recently for their monthly meeting at the home of Mrs. Ana Baez. Christmas was the theme for the evening and was carried out with decorations and refreshments prepared by the hostess, Mrs. Baez and the co-hostess, Mrs. Janice Shiver.

Members exchanged homemade Christmas ornaments and Mrs. Sharon Underwood, president of the club presented each member with a Christmas orna-

ment.

Plans were finalized for the " Luncheon with Santa " to be held Saturday, Dec. 19, from 11 a.m. to 2 p.m. at the Belle Glade Municipal Civic Center.

Tickets to the luncheon may be purchased by calling Jackie McDaniel, Diane Seider or any other club member.

A Christmas cookie exchange was also finalized. The Public

Affairs chairman, Mrs. Cindy Baez, reported on the Shopping Seminar held recently in conjunction with the Belle Glade Police Department.

The Program for the evening was " Getting To Know You ". Each member was asked to make a collage that represented herself and to explain it.

The guest for the evening was Shari Marchant.

PIGSKIN PROPHETS 1981

This week finishes up the season for all the football forecasters. The season has proved to be a tough one for all the prophets but no matter how tough, there always has to be a winner. **Mike Burkett of Lake Hardware** came out on top with 112 wins and 56 losses. Mike will be awarded the first place trophy and he will be pictured in the *Herald-Observer* next week. **Congratulations Mike.**

Three more trophies will be awarded to the second, third & fourth place winners and they also will be pictured in the *Herald-Observer* next week. The second place trophy will go to **Frank Davis of Glade & Grove Supply**. Frank was only one game behind Mike Burkett and finished with 111 wins and 57 losses. Third place goes to **Steve Woodard of Lockhart Ford**. Steve finished with 110 wins and 58 losses.

And the last trophy will be awarded to **Buddy Norris of Slim's Fish Camp** with a fourth place record of 109 wins and 59 losses.

The *Herald-Observer* Staff would like to thank all the football forecasters and their businesses for participating in this years contest, and we look forward to doing it again next season.

Christmas in the Glades

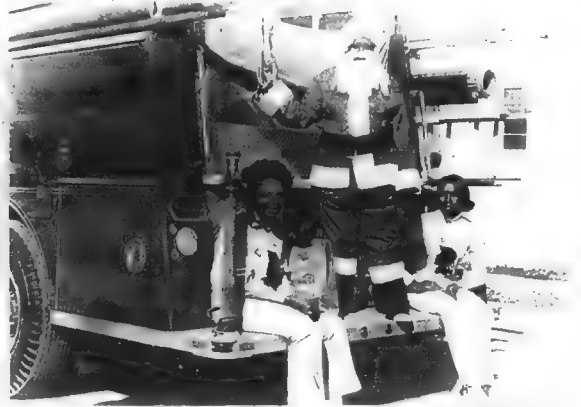

Carolling children entertain Kiwanians

Staff Photo by Kim Allen

THE ST. PETER'S Lutheran School chorus presented a program of familiar Christmas and Christmas novelty songs for the Kiwanis Club members. The group of 27 students, selected from the fourth, fifth and sixth grades, also included an echo chorus of third grade students.

The Glades Ebonique Ladies Club of Pahokee sponsored its annual Christmas Parade and Carnival Saturday. Santa's Helpers, Gloria Atkins and Crystal Fox assisted Santa with presenting goodies to the youth during the parade through the streets of Pahokee. Santa had a front row seat aboard the City of Pahokee fire truck.

KEEPING THE FAITH

"Glory to God in the highest, and on earth peace, good will toward men." Luke 2:14 KJV

I have had many exciting experiences in my life, most of them very good, a few that turned out not so good and a few that were plain scary. But when I start studying the Christmas story afresh each year it is a study of excitement. The life of the Judean shepherds was not a particularly exciting life. It was a bad life, and often a very lonely life. The shepherds in Israel still very seldom use dogs to tend the sheep. The shepherd does it, just as he has for several thousand years.

Most of his work was very routine, and this night nearly 2000 years ago was like most every other night. The sheep had been penned up for the night and while some of the shepherds slept,

others stayed awake to watch the sheep.

But this night would be different. All of a sudden there was a stranger in their midst. But it was not an ordinary stranger. "Lo, the angel of the Lord came upon them, and the glory of the Lord shone about them: and they were each afraid." Well I think I would have been afraid too. If suddenly the night was lit up by the glory of God, and one of his angels was there it would be an extraordinary experience. All of a sudden there was excitement in the camp. But that was just the beginning of the excitement. The angel had come with exciting news. "Fear not; for, behold, I bring you good news of great joy, which shall be to all people. For unto you is born this day in the city of David (Bethlehem) a Saviour, which is Christ the Lord."

That was the most exciting news ever heard by men. The Messiah had been born right there in Bethlehem and God had sent a special messenger from heaven to tell them about the event. But the excitement was not over. All of a sudden the sky rolled back and these shepherds were looking into heaven, and hearing the angels Christmas proclamation: "Glory to God in the highest, and on earth peace, good will toward men."

God's glory had come to earth. But it was not the angels who were the glory of God. They came to announce the glory. It was God's glory that shone around the shepherds when the announcement was made. It was God's glory that was being proclaimed. It was God's glory that was born in a stable and was laid in a manger.

It is still God's glory that man needs to experience in this life today. In fact of all things man needs to experience, this is his greatest need. Now most of us are not going to see an angel in this life. In heaven we will have the privilege of seeing with our eyes. In this life I head them sing once. That was once in the shepherds field outside of Bethlehem. Our whole group heard them. Others have heard them sing in this or other places. But we can experience God's glory without seeing or hearing the angels of God. Jesus was born into the world, so that He might also be born into our own hearts and lives. That is really the reason He came into the world. The same Jesus who was born into the world almost 2000 years ago in Bethlehem, is seeking to come into and dwell in each of our hearts. But it is up to us as to whether or not He will be a stranger or whether He will live in us.

"O holy child of Bethlehem, Descend to us we pray; Cast out our sin, and enter in, Be born in us today. We hear the Christmas angels the great glad tidings tell; O come to us, abide with us, Our Lord Emmanuel!"

Have we experienced not only the excitement but God's glory of Christmas? Have we invited the glory of His Presence to come and live in us?

New minister takes over

BELLE GLADE - Glenn R. Sheumaker took over the reins of the Belle Glade Church of Christ Sunday Dec. 6.

The church, located at 126 N.W. Ave. D, was formerly under the charge of Tuck Andrews. Andrews moved to a church in Palatka, Fla.

Sheumaker has moved to the Belle Glade Church from the Cedar Hill, Tennessee Church of Christ, where he served as minister for seven years.

Sheumaker is no stranger to Southern Florida, though, having served as minister at the Hollywood Florida Church of Christ for 13 years. He also served as minister at Lakeland, Fla. for 10 years.

Since becoming a minister, he has served congregations in Alabama, Illinois, West Virginia and Indiana.

Sheumaker graduated from Avon Park, Fla. High School and Freed-Hardeman College in Memphis, Tenn.

He and his wife, Lila, have two sons, Glenn R. Sheumaker Jr., 32, and Daniel Sheumaker, 28.

The Belle Glade Church of Christ was started in April 1943 and moved to its present location in

GLENN SHEUMAKER

August 1946.

According to its Homecoming, the church will be sponsoring its Homecoming Day Feb. 21. Hollis Miller from Gainesville will speak.

The church's gospel meeting will be February 21 through 28.

Church schedules Christmas program

BELLE GLADE - The Lake Shore Progressive Ministerial Alliance invites the community to attend its Annual Community Program on Friday, Dec. 18 at 7:30 p.m., at the Mt. Calvary Missionary Baptist Church, Raderville.

The Rev. Leon Camel, pastor of Mt. Calvary, is the host pastor.

The speaker for this interdenominational affair is the Rev. Alvin L. Jones, the president of the Alliance and a newly appointed English teacher at Glades Central Community School.

Rev. Jones is a graduate of Edward Waters College and the B.F. Leis Theological Seminary. He has attended Incarnate Word University, St. Antonio, Texas, and completed his studies at Florida A and M University in Tallahassee for his Master's degree.

Rev. Jones has served the state of Florida in many capacities, such as president of the Glades County Teachers Association, instructor of English, Black Studies and Physical Education at Booker T. Washington and Moore Haven

Elementary and Jr., Senior High School for 13 years.

He is a member of the Fla. Educational Association Council of Presidents and an advisor to the Brown Sugar Community Guild for Clewiston and Moore Haven.

Rev. Jones also was the Glades County Spelling Bee Coordinator for five years.

A Vietnam veteran, Rev. Jones was the recipient of the Outstanding Citizen's Award given by President Jimmy Carter in 1979. He is a member of the Knights of Pythias of Okaloosa,

Letters to the editor

Editor:
During the past year we have been privileged with a number of successful projects. This success was possible only through the assistance of the people of this community. For this we thank you.

STUDENTS at East Lake Middle examine books as part of the RIF program.

Sorority honored for reading program

PAHOKEE—East Lake Middle School, enjoying its second successful year in the Reading Is Fundamental (RIF) Program, honored the members of the Mu Rho Omega Chapter of Alpha Kappa Alpha Sorority, Inc., Thursday with a short program.

The local AKA Chapter started the Reading Is Fundamental program at East Lake Middle in 1980 with a \$1,000 donation to the school.

RIF, a national reading program which encourages students to read in their leisure, is supported by local funds and matching federal funds. The Mu Rho Omega Chapter donated \$1,000 to the school this year to sponsor the program once again.

Mrs. Eugenia Jones, assistant principal at the

school, said last year more than 600 students received free books from RIF.

At Thursday's program, students presented a short program about RIF and presented a plaque to Mrs. Harma Miller, president of the sorority and Mrs. Shirley Speakes, chairperson of the RIF program for the sorority.

Members of the sorority were also presented to the student body.

In attendance at the program was Dr. John Monroe, the Palm Beach County Board of Public Instruction West Area Superintendent.

Following the program the students were greeted by Santa Claus and participated in a distribution of RIF books in the cafeteria and library.

Glades business revue

Candlelight service set

BELLE GLADE — The Community United Methodist Church will hold a Candlelight Service, Wednesday, Dec. 23, at 10 p.m. at the church. The public is invited to attend.

PROPRIETORS of Terry's in South Bay are Terry and Lila Moss.

Terry's Restaurant opens in South Bay

SOUTH BAY — Terry's Restaurant on Route 27 in South Bay opened for business Nov. 1.

The new restaurant occupies the building which once housed Jody's. Terry and Joan Moss bought the establishment, which had been closed since June, and operate it 24 hours a day.

It features lunch and dinner buffets. The lunch buffets run from 11 a.m. to 2 p.m. weekdays. The evening buffet runs from 4 p.m. to 8 p.m., according to Terry Moss.

On Sundays and holidays, the buffet runs from noon to 6 p.m. The restaurant also has its own smoke house.

"A lot of places advertise barbecue, but if you ask to see their pit, they don't have one," said Moss.

The clientele is evenly divided between local residents and travelers coming from the highway. Between the two, Moss claims business has been very good.

"It's been terrific from the start," he said. "Especially Friday night and the seafood buffet."

Moss, who has been in the Glades area for 30 years, switched to the restaurant business this year after a career as owner of Terry Moss and Sons Wrecker Service.

The whole Moss family is involved in the operation, with at least one member of the family at the restaurant at all times. The only time the restaurant is closed is Christmas Day, according to Moss.

Chamber records loss with annual banquet

BELLE GLADE — The Belle Glade Chamber of Commerce Board of Directors Thursday, Dec. 10, voted to purchase a new copying machine and heard a report on the chamber's annual banquet. The chamber will be leasing a Sharp copier from the Delta Company in West Palm Beach for \$78.44 per month. At the end of the three year lease, the chamber may purchase the unit for 10 per cent of the original price.

The chamber will pay a total of \$1,995 for the unit, and the service and maintenance will be supplied by Delta free of charge if the supplies are purchased through the company.

The Chamber lost \$379.06 on the annual banquet, the directors were told.

The banquet, held October, incurred debts of \$3,812.58. It generated about \$3,500 in revenues, including ticket sales and donations.

A total of 187 tickets at \$15 each were sold, creating \$2,805.

In other business: —Chamber President James Jacks reported that the chamber has 124 members, including three new ones. He urged members to talk to others about joining.

—The Directors learned that the chamber was sanctioning and co-sponsoring the local holiday decoration contest. Judging will take place Dec. 17 from 6:30 to 7:30 p.m.

—Discussed the possibility of a new post office location in Belle Glade. Many of the members expressed approval for the idea if more parking space is provided than what exists at the present facility.

—Learned of a proposal to create a council of chambers of commerce which would meet every other month.

Baby beaten to death

PAHOKEE — The Palm Beach County Sheriff's Department is continuing its investigation into the death of a month-old baby body found dead Saturday at 298 Pope Court in Fremd Village.

An autopsy by Dr. Mario Ramos, an assistant county medical examiner, revealed the infant, Dwight Ellington, Jr., died from injuries received by blows to his body.

Mary James, 26, the infant's mother called the Pahokee Ambulance Service when she found the infant was not breathing about 3:49 p.m., Saturday. Ms. James had left

home about 11:30 a.m., leaving the baby with a friend. When Ms. James returned home at approximately 1:30 p.m. she found the baby lying on the floor.

When Ms. James went to pick up the infant and place him on a couch, she noticed he was not breathing. She called the ambulance paramedics, but the baby was already dead, said Detective Sgt. Harry Driggers.

The autopsy showed the infant had seven cracked ribs, a skull fracture, internal bleeding and heart, brain and kidney damage.

Thirteen women received Rhodes scholarships in 1975, the 75th anniversary of the famous award — and the first year any woman had received it.

MIKE RILEY was awarded a distinguished service award by fellow Kiwanis Members for his part in coordinating the Kiwanis Club's Thanksgiving basket project. Shown giving the award to Mike is Larry Lamb, Kiwanis Club President.

Students Entertain Senior Citizens

BELLE GLADE — Senior citizens at the Division of Senior Services Center were presented a play by the sixth grade Spanish class at Lake Shore Elementary School on Dec. 15.

More than 60 Seniors enjoyed the program, "The Lost Christmas Cards," as well as a poem by Kenia Lama and Alina Ramos.

Members of the program were Norris Workman, Adan Gomez, Ana Isabel Soriano, Antonio Marfil, Betty Mixon, Kamir Lama, Veronica Silva, Oreluis Ruiz, Laura Montalvo, Alvin Huerta, Daniel Flowers, Debora Stewart, Jose L. Huerta, Miguel Rojas, Caridad Matos, Debora Druman, Willie Pittman, and Odelys Morales.

Eastern Star elects officers

SOUTH BAY — The members of Eastern Star Chapter No. 72 recently elected officers to serve for the new year and showed Mrs. Gladys Grooms, the chapter's Worthy Matron for several years with Christmas gifts.

The chapter honored Mrs. Grooms for the many years of service and outstanding work she has done for the chapter.

Plans were also made for several community service projects for 1982.

Officers elected were Gladys Grooms, Worthy Matron; Margaret Style Small, Assistant Matron; Wanda Collier, conductress; Eleanor Stewart, assistance conductress and public relation chairperson; Alma B. Parker, financial secretary; Mary Arnold, recording secretary; and Marie B. Williams, treasurer.

Officers of the Eastern Star Chapter No. 72 of South Bay are Mrs. Gladys Grooms, Collier, Ms. Eleanor Stewart, Mrs. Alma B. Parker, Mrs. Mary Arnold, and Mrs. Marie B. Williams.

Santa visits Pahokee

during parade

PAHOKEE— Youth in Pahokee spent a day at Pelican Park visiting "Santa" and enjoying games Saturday at the Glades Ebony Ladies' Second Annual Christmas Parade and Carnival.

Santa arrived in Pahokee aboard the City of Pahokee big red fire engine and brought lots of goodies for Santa's kids.

The Pahokee High School and the East Lake Middle School band participated in the parade along with members of the club.

Following the parade through downtown Pahokee, the youth participated in an array of carnival games at Pelican Park.

HELIO REZENDE

Helio is the Chief of Accounting for the City of Belle Glade where he has worked for the past 19 years.

His wife's name is Sonalia and they have two children, John and Christy.

Swimming, reading and walking are some of Helio's pastimes and he also attends Palm Beach Junior College parttime.

Helio says this carrot cake recipe is very good.

CARROT CAKE

Cups and one-half cups of salad oil
two cups sugar
four eggs
two cups sifted all-purpose flour
two teaspoons baking powder
two teaspoons baking soda
one teaspoon salt
two teaspoons cinnamon
three cups grated or finely ground carrots
one cup nuts, chopped (pecans)

Blend oil and sugar together. Add eggs one at a time, beating after each addition. Sift flour and measure, add remaining dry ingredients, sift again and add to sugar mixture. Add carrots and nuts and mix well. Bake in three greased and floured pans at 325 degrees from 40 to 50 minutes.

ICING

one 8 ounce package cream cheese
one-half stick butter, melted
two teaspoons vanilla
one box powdered sugar
Let cream cheese come to room temperature then beat in remaining ingredients.

Southern leaders to meet

TALLAHASSEE — Five Cabinet secretaries and a host of political strategists are among those already scheduled to address participants at the Southern Republican Leadership Conference Jan. 14-18 in Orlando.

The Conference is a biennial gathering of Republican leaders, elected officials and party activists from 13 Southern states. The Republican Party of Florida is serving as host for the Conference, which was last held in Florida in 1977.

Cabinet members slated to appear are Bill Brock, special trade representative; Energy Secretary James Edwards; Transportation Secretary Drew Lewis; Secretary of Housing and Urban Development Samuel Pierce and Interior Secretary James Watt.

Brock, past chairman of the Republican National Committee, former South Carolina Gov. Edwards, and Lewis are tentatively scheduled to address the conference on Friday, Jan. 15.

Pierce and Watt will speak the following day.

All of the Republican U.S. Senators, Congressmen, Governors and state legislators from the south have been invited to attend, and many of them have agreed to do so. Among them are Arkansas Gov. Frank White and U.S. Sen. Mack Mattingly of Georgia.

Florida Republican Chairman Henry Saylor said he is "working diligently" to get President Reagan and Vice President George Bush on the conference program.

"We feel certain one or the other will want to attend," Saylor said.

As a new twist from past conferences, training seminars will be conducted by acknowledged experts in specific political fields in tandem with members of Congress who have worked with these experts.

"By adding the perspective of the elected official, participants in these seminars should gain more than the usual amount of insight into what it takes to elect Republicans," Saylor said.

35 predicted to die on state's highways

It is predicted that 35 people will die in Florida traffic accidents during the 76-hour Christmas holiday period, according to the Florida Highway Patrol.

This year's official countdown begins at 6 p.m. Thursday, Dec. 24, and ends midnight Sunday, Dec. 27.

Colonel Eldridge Beach, director of the patrol, said, "Drivers face greater dangers of vehicle accidents during the month of December than any other month of the year. The spirit of Christmas should extend to our attitudes about driving and walking by being courteous."

Beach said a maximum number of

troopers will be patrolling in an effort to curb accidents, fatalities and injuries during the holiday period. There were 40 people killed in traffic crashes during the Christmas holiday period last year with careless driving being the leading contributing cause with 12. There were five drivers that had been drinking and seven while intoxicated.

"With the coming holiday periods in which alcohol is freely served, every person who has a chance to prevent one of their drinking relatives or friends from driving should take the opportunity to do so and help save a life," Beach said.

business revue

PROPRIETORS of Terry's in South Bay are Terry and Lila Moss.

Terry's Restaurant opens in South Bay

SOUTH BAY - Terry's Restaurant on Route 27 in South Bay opened for business Nov. 1.

The new restaurant occupies the building which once housed Judy's. Terry and Jean Moss bought the establishment, which had been closed since June, and operate it 24 hours a day.

It features lunch and dinner buffets. The lunch buffets run from 11 a.m. to 2 p.m. weekdays. The evening buffet runs from 4 p.m. to 8 p.m., according to Terry Moss.

On Sundays and holidays, the buffet runs from noon to 6 p.m.

The restaurant also has its own smoke house.

"A lot of places advertise barbecue, but if you ask to see their pit, they don't have one," said Moss.

The clientele is evenly divided between local residents and travellers coming from the highway. Between the two, Moss claims business has been very good.

"It's been terrific from the start," he said. "Especially Friday night and the seafood buffet."

Moss, who has been in the Glades area for 30 years, switched to the restaurant business this year after a career as owner of Terry Moss and Sons Wrecker Service.

The whole Moss family is involved in the operation, with at least one member of the family at all times.

The only time the restaurant is closed is Christmas Day, according to Moss.

Chamber records loss with annual banquet

BELLE GLADE - The Belle Glade Chamber of Commerce Board of Directors Thursday, Dec. 10, voted to purchase a new copying machine and heard a report on the chamber's annual banquet.

The chamber will be leasing a Sharp copier from the Delta Company in West Palm Beach for \$79.44 per month. At the end of the three year lease, the chamber may purchase the unit for 10 per cent of the original price.

The chamber will pay a total of \$1,995 for the unit, and the service and maintenance will be supplied by Delta free of charge if the supplies are purchased through the company.

The Chamber lost \$379.06 on the annual banquet, the directors were told.

The banquet, held October, incurred debts of \$3,812.58. It generated about \$3,500 in revenues, including ticket sales and donations.

A total of 187 tickets at \$15 each were sold, creating \$2,805.

In other business:

—Chamber President James Jacks reported that the chamber has 124 members, including three new ones. He urged members to talk to others

about joining.

—The Directors learned that the chamber was sanctioning and co-sponsoring the local holiday decoration contest. Judging will take place Dec. 17 from 6:30 to 7:30 p.m.

—Discussed the possibility of a new post office location in Belle Glade. Many of the members expressed approval for the idea if more parking space is provided than what exists at the present facility.

—Learned of a proposal to create a council of chambers of commerce which would meet every other month.

Baby beaten to death

PAHOKEE - The Palm Beach County Sheriff's Department is continuing its investigation into the death of a month-old baby body found dead Saturday at 298 Pope Court in Fremd Village.

An autopsy by Dr. Mario Ramos, an assistant county medical examiner, revealed the infant, Dwight Ellington, Jr., died from injuries received by blows to his body.

Mary James, 26, the infant's mother called the Pahokee Ambulance Service when she found the infant was not breathing about 3:49 p.m., Saturday. Ms. James had left

home about 11:30 a.m., leaving the baby with a friend. When Ms. James returned home at approximately 1:30 p.m. she found the baby lying on the floor.

When Ms. James went to pick up the infant and place him on a couch, she noticed he was not breathing. She called the ambulance paramedics, but the baby was already dead, said Detective Sgt. Harry Driggers.

The autopsy showed the infant had seven cracked ribs, skull fracture, internal bleeding and heart, brain and kidney damage.

History becomes community project

When the Edison Park Elementary School in Fort Myers needed a sidewalk to make it safer for children going to school, volunteers built it themselves after a three-year effort to raise money for materials.

This community-wide project in 1970 exemplifies the spirit behind the almost 80-year-old subdivision named for the great inventor, according to an article in the just-published Winter edition of Tampa Bay History. The illustrated article by Fred Taylor Board traces the development

of the 55-acre subdivision which stretches from McGregor Blvd. to Cleveland Ave. in Fort Myers from the day it opened in boomtime Fort Myers to the present.

But, before the states of the Greater Madison - which started out to be made at the McGregor Blvd. entrance to the new subdivision was unveiled on April 7, 1926, it was draped at the request of Miss Edison whose winter home was across the street.

This is one of six intriguing articles in the two-year-old Tampa Bay History magazine, published in December

The fascinating history of Central and Southwest Florida has not been fully told, Lawson says, and he hopes Tampa Bay History is helping to fill this gap.

The magazine also contains oral history interviews, photographic stories, original documents, book reviews, tips on researching genealogy, and news of historical groups and events.

It recently was praised by the School of Library Science at the State University of New York for its writers, "who manage to make the material much more lively than is normal for local history periodicals."

Scheduled to be published in the coming year are three articles on South Florida history. They include "Pioneers in Palmdale" (in Glades County) by Jeanne P. Reidy; and "The Story of My Family" by Floyd Wilder. A pioneer in the South Bay region around Lake Okechobee, Mr. Wilder describes his family's experiences in the early days and writes an account of the devastating hurricane of 1926 and 1928.

Pahokee chamber sponsors contests

PAHOKEE - The Pahokee Chamber of Commerce met at noon in its chambers in Pahokee to discuss the Shop-At-Home and Holiday Decoration contests, according to Doris Wetherington.

The banquet is usually held in May.

Diane Hall is in charge of the judging and, although all homes and businesses will be judged, those desiring to enter are urged to call the chamber.

First place winners will receive two free tickets to the chamber's annual banquet.

How to spend travel dollars

Whether you are vacationing or visiting friends and relatives, there are steps you can take to make your holiday travel more economical and enjoyable. The Florida Institute of Certified Public Accountants suggests you plan your trip carefully, and research costs before you complete your plans.

These are the busiest times of the year for domestic flights, airline representatives say, and travelers often make reservations as early as July. If you have thought this far in advance, CPAs say, you may have set up a

budget for the trip which would allow for transportation, accommodations, meals, tips and sightseeing costs.

When making airline reservations, ask different lines about their discount fares. Since discount fares are sometimes cancelled during peak travel times, be specific about available dates. Some discount airlines, such as SuperSaver, are offered on a limited basis and even then are contingent upon advance payment. These fares are unavailable at the last minute. Competition has generated lower fares that are

Nu Kappa sorority holds meeting

Nu Kappa Sorority held its semi-monthly meeting at the home of Margie January of Wedgeworth Road.

Members attending were Cathy Lee, Bob Nixon and Dennis De Lucia of the Pahokee Ambulance Hamilton, Karen Bonaville, Tina Rongione, Cilia Elrod and Cindy Bess.

Discussed at the meeting were plans for the Black Gold Jubilee dance which Nu Kappa is sponsoring this year.

The members enjoyed a program on emergency trauma given by Bob Nixon and Dennis De Lucia of the Pahokee Ambulance Service.

The meeting concluded with the members enjoying a dessert of apple cobbler made by Margie January.

Nov. storm may have damaged sugar crop

Hurricane Katrina, which struck Cuba on Nov. 5-6, probably caused significant breakage of sugarcane and damage to citrus groves, the USDA said.

The region of Cuba hit by the storm is estimated to account for about 10 percent to 15 percent of the country's sugar acreage and for about 15 percent of Cuba's citrus production. Most of the affected citrus area produces Valencia oranges, which are harvested between December and May. Cuba's sugarcane harvest begins in November and runs through May.

The hurricane hit Cuba with 85-mile-per-hour winds and heavy rain as it reached the southern coast. The hurricane crossed the island in an east-northeast direction, between the towns of Sancti Spiritus and Camaguey.

Clewiston hosts state title game

By JIM JONES

Clewiston and Crawfordville-Wakulla meet on Cane Field at 8 p.m. Friday, Dec. 18, to determine Florida's 1981 Class AA football champion.

The defending state champion War Eagles and the Clewiston Tigers share identical 12-1 records going into the title game.

Title-hungry Clewiston fans had snapped up all available reserved seat tickets Monday morning, Clewiston Coach Al Morrell reported.

Neither has Clewiston ever before appeared in the finals of the football playoffs nor has a state championship football game previously been played in Clewiston.

Clewiston lost its only game of the year to Class AAA Ft. Myers, while the War Eagles lost 6-7 to Class AA Chipley in the third game of their season.

War Eagle Coach John David Jones says his team lines up in a pro set with a split backfield and two wide receivers and also uses the Power I, a formation favored by Tiger Coach Al Morrell.

Crawfordville Wakulla's offensive attack is balanced between the run and the pass. Junior quarterback Mike Smith passed for 1,940 yards and 17 touchdowns during the year.

John Metcalf, 6 foot 11, 300 pound fullback, ran for about 700 yards this year and is aided by sophomore tailback Gerald Donaldson, a 6 foot 7, 145 pounder who Jones compares to Clewiston running back Gerald Johnson.

Donaldson averaged about 10 yards per carry in gaining 600 yards.

Ronnie Pigots led the War Eagles at wide receiver with 37 receptions. His coach describes him as a player who runs good pass routes with adequate speed, and who has good hands.

Jones sees defense as his team's greatest strength. Wakulla started with eight defensive returners from last year's state championship team and only two offensive starters. During the course of the year, Wakulla shut out nine of 13 opponents.

The senior-dominated War Eagles will bring 41 players to Clewiston. Jones carried 33 on his squad during the regular season, but moved up several players from his junior varsity late in the year.

"We're not going to do anything different," said Jones of Friday's game. "We hope not to get behind and keep it a close ballgame. They (Clewiston) play with a lot of enthusiasm and aggressiveness."

Referring to Friday's 38-0 win over Jacksonville Bolles, Jones said, "We played as good as we are capable of playing. It feels great to be in the finals."

Clewiston Coach Al Morrell, coming off a highly satisfying 14-6 win over Dunnellon on a frigid north Florida field, was also positive about Friday's game.

"We're looking forward to a great championship game. We're going all out to win it. We just wanted to be here. We've worked so hard for it," Morrell said.

Morrell said that his Tigers are still peaking and predicted that the game will bring out the best in the Clewiston athletes.

"Your horse is going to run well when pushed," Morrell said.

Morrell said that Wakulla will be the biggest team the Tigers have faced this year, with a lineup liberally sprinkled with 190 and 200 pounders.

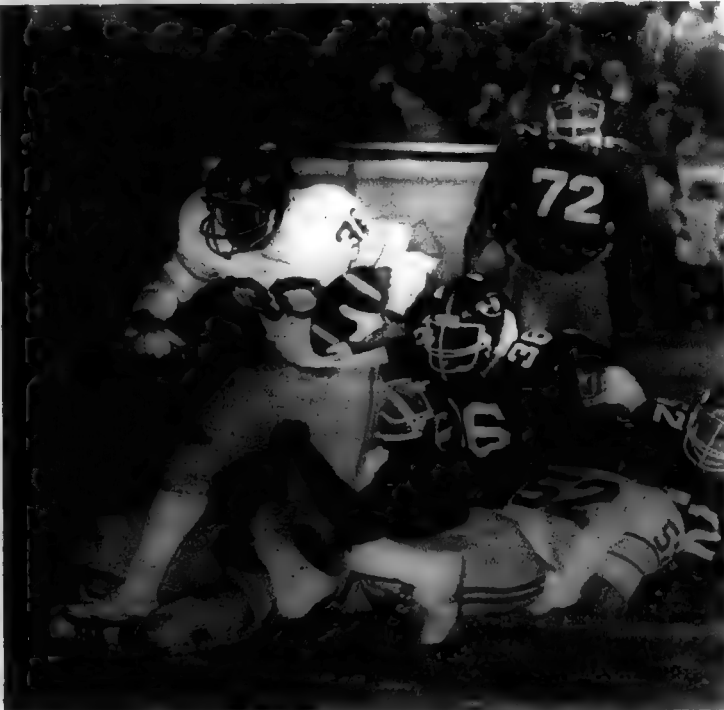

"They have a quarterback that really throws the ball well. They come right at you. You have to hit them for four quarters," he said.

Wakulla can be beaten, says Coach Walt Henders, Chipley mentor who beat the War Eagles 7-6.

"You have to score on them to win," said Henders. "They are just awesome on defense. We got a turnover and capitalized on it. The clock ran out for them."

Henders calls the War Eagle defense tenacious. "They line up in numerous fronts, odd and even, and variations thereof. We were real fortunate to whip them. They have an extremely fine football team," he said.

LITERALLY RUNNING OVER Dunnellon tacklers, Clewiston fullback Sammy White (38) showed again Friday why he

has been the most consistent ground gainer for the Tigers this year. Also shown is center Mike Pittman (52).

Gators ready for season in new cage district

By JEFF BROWN

BELLE GLADE - "No, I'm not going to make any predictions," said Glades Day Basketball Coach Richard Schmidt. "That could be used against me later if I'm wrong. And if I'd say 'Oh, I think we'll go 10 and 10,' the guys will sit down and look at who we play and try to figure out we shouldn't."

It would be hard for Schmidt to make any predictions on the new season. The Gators are in a new Class A district this year and will be facing many of their district counterparts for the first time in the district games in February.

The only teams in their district the Gators will meet before then are Lake Worth and Belle Glade Christian.

"There are some pretty good teams in our district from past years," said Schmidt. "Going by past years and what you hear (about the teams in the district), Belle Glade Christian, Pompano Beach Highlands and Boca Raton Christian are the teams that have to be beat for the district."

"Every win will be a bonus this year," said Schmidt. "We have a well balanced schedule with only one or two so called breather all season."

Schmidt hopes to achieve the Gators' ninth consecutive winning season with a 12-man team containing just one returning starter - senior Richard Schiele who will play forward and center.

The starting team will be pooled from eight individuals, including Schiele, according to Schmidt.

Scott Meredith, a senior, will play guard. Senior Andy Fontaine will play guard and forward.

David Lakatos, another senior, will play forward and Oscar Toledo, a junior, will work the pivot.

Juniors Mike Basore and Raul Garcia will be in the guard positions.

Two seniors and two juniors will be playing from the reserves for the Gators.

Seniors E.J. Miller will fill in at a forward position and Maarten Boers will be the reserve center. Frank Thompson and Mark Thompson, both juniors, will also be forwards.

Most of the load will be on the returners, especially Schiele, according to Schmidt.

Schiele averaged 12.3 points per game and over 11 rebounds per game last season, and will be ex-

Top-rated Raiders to play in tourney

BELLE GLADE- The Glades Central Raiders' boys basketball team will be one of 12 teams participating in the Holiday Classic sponsored by Home Federal Savings and Loan.

The tourney will be held at Palm Beach Junior College in Lake Worth and the first game will be played at 6 p.m. on Tuesday, Dec. 15, between Lake Worth and Deerfield Beach.

The Holiday Classic inaugurated with 12 teams participating was first held last year with Suncoast High of Riviera Beach winning the tourney in a thriller final vs. Twin Lakes High of West Palm Beach.

The Raiders, rated number one in the Class 3A poll, expect to be a top

contender in the finish for the coveted trophy presented to the top team.

Glades Central, which has a season record of 5-0 going into the tourney, defeated the Lake Worth Trojans 75-58 Friday in Lake Worth.

The Trojans and Glades Central are two of the 12 teams that will participate in the tournament.

Teams participating in the tourney will include John I. Leonard, Cardinal Newman, Lake Worth, Deerfield Beach, Forest Hill, Palm Beach Gardens, Hialeah American, Twin Lakes, Glades Central, North Shore, Suncoast and

Forest Hill.

The Home Federal Tourney will open with four games Tuesday, another four games on Wednesday, a day off Thursday, the semi-finals Friday and the championship game Saturday night.

Home Federal Savings and Loan sponsored the event as a trial and the results were encouraging enough to call for a repeat this year as an annual event.

Wade Kelly, president of Home Federal, and a basketball enthusiast, and Ed Elliot, executive vice-president and a former local all-star athlete, feel they are doing more than providing a showcase for area

players. They think it creates a healthy atmosphere for other students and their parents and friends, a stepping stone toward a team life.

If the Raiders' 1981 season wins against four of the teams participating in the tourney is any indication of the Raiders' ability, Glades Central is surely be right up to the tournament winners.

Clewiston whips Dunnellon, 14-6

By JIM JONES

DUNNELLON — Dunnellon's powerful 200-pound running backs were supposed to charge right at Clewiston from the wishbone and challenge the Tiger defense Friday, Dec. 11. But it was the Clewiston running backs who took the attack to Dunnellon and racked up 202 yards on the ground to score a comfortable 14-6 win.

Clewiston took command of the game early. The smaller Clewiston players pushed Dunnellon around in the first half like they owned the frozen north Florida turf.

Two authoritative Clewiston touchdowns had Dunnellon reeling to the delight of Tiger fans who made the long trip to pack the visitors' stands. The Dunnellon fans, some of whom had arrived two hours prior to game time to ensure good seats, sat in quiet disbelief.

Dunnellon attempted a comeback in the second half, but Clewiston's offense threatened several time to place more points on the scoreboard for Coach Al Morrell.

"It was by far our best effort. I feel great about it," said Coach Al Morrell. "I'm very proud of the team and the team effort. Everyone has gotten behind us."

"We came out ready to play football. I felt that the kids weren't going to let up," said Morrell. "We took it to them from play one. On our first drive, we were confident they would run out of gas and that we would stop them."

Tailback Gerald Johnson scored Clewiston's first touchdown on a two-yard run and led the Tigers in rushing with 80 yards in 14 carries.

Hal White was Clewiston's second leading runner with 46 yards in 12 attempts. Fullback Sammy White scored Clewiston's second touchdown on a three-yard run in the second quarter and gained 28 yards in six carries.

White twisted his knee in the game, however, and is the only Clewiston player who may be unable to play Friday against Crawfordville Wakulla in the state championship game.

Fullback Ricardo Finkley rushed eight times for 33 yards against Dunnellon. Willie Benson accounted for 24 yards on an end-around play.

Dunnellon Coach Richard Kennedy acknowledged the power of the Clewiston attack after the game. "The second touchdown broke our back. We had a couple of fumbles in the second half that hurt us," he said.

"They probably have 10 guys who can outrun our fastest guy," said Kennedy.

Kennedy said that his team's lack of a passing attack hurt, but gave credit to the Clewiston running backs and the Clewiston offensive line. "We knew that their offensive line did a great job," he said.

Kennedy declined to make a prediction about Friday's game between Clewiston and Crawfordville Wakulla, saying only, "There's two great teams playing."

"Our future is ahead of us," Kennedy said before going to the locker room to speak to his players.

Clewiston's first touchdown came on an 11-play, 74 yard drive.

All but one of the plays during the drive were runs by Melvin Williams, Hal White, Finkley or Johnson. Johnson broke several tackles with 1:39 left in the first quarter to punch the first touchdown across from the two-yard line.

Pete Walker then booted the first of two extra points.

Williams set up Clewiston's second touchdown late in the first half with an interception. Moving from the 50 yard line, Pete Walker passed 26 yards to Willie Benson at the 24. Gerald Johnson scooted four yards to the 20 on

the next play. On second down, Johnson loosened up the Dunnellon defense with an incomplete pass to Titus Dixon in the end zone. Facing a third down and six, fullback Sammy White crunched to the 14 for a first down.

In three more plays, Clewiston had earned its second touchdown. Sammy White scored with 44 seconds left in the half on a three-yard run.

Late in the third quarter, Clewiston moved from its 38 yard line for its only score of the game. Clewiston apparently had stopped Dunnellon on a fourth down and three pass at the Tiger 35, but officials ruled that the Tigers had committed deliberate pass interference.

The ball was spotted on the Clewiston 20 and three plays, Dunnellon moved in for the score. Two hundred pound senior halfback Jerry Young scored for Dunnellon on a 14-yard option sweep with 1:19 left in the quarter.

Dunnellon quarterback Tony Cabrera tried to pass for a two-point conversion, but threw behind his receiver.

Clewiston came roaring back after the touchdown, moving from its own 40 to the Dunnellon 18 before fumbling with 10:58 left in the game. The big play during the drive was Benson's 24-yard end around run.

Dunnellon drove to midfield in six plays, but Mike Pittman grabbed a fumble at the 50 to end the Dunnellon threat.

Johnson ran for 14 yards, Hal White for nine, two and five yards before an illegal procedure call and a fumble stopped Clewiston's progress at the

Dunnellon 18.

With slightly more than six minutes left in the game, Dunnellon went for broke against Clewiston.

Dunnellon moved from its own 18 to the 31. On fourth and nine, Tony Cabrera tried to run for a first down, but linebacker Willie Benson was waiting at the 36 to make the tackle.

Clewiston went back on the attack and drove down to the 10 before attempting a Pete Walker field goal with 1 1/4 minutes left in the game. The kick was wide of the mark.

Clewiston had Dunnellon's catch-up attempt well in hand as the clock ran down. Linebacker Ralph Brockington's apparent interception with 56 seconds left was ruled no interception, but 25 seconds later Gerald Johnson picked off a Cabrera pass at the 38 to write the ending to Dunnellon's year.

Henders was especially impressed with Wakulla's nose guard and defensive ends, calling them bookends who weigh up to 190 pounds each. He called Wakulla's defensive right end the quickest reactor on the club.

As impressed as Henders is with Wakulla, he rates the War Eagle speed as "adequate."

Clewiston's superior speed and quickness just may offset Wakulla's size.

Fullback Sammy White has been an impressive runner all year for Clewiston and the talents of tailbacks Hal White and Gerald Johnson have mushroomed late in the season. Both players have developed as hard runners who don't mind running at a defender as well as around him.

"It's been a long time since we've had running backs like that. Gerald and Hal ran as well as any tailbacks we've had here. They gave it 100 percent from the first play to the last play."

Clewiston can also call on Ricardo Finkley, who is a tough short-yardage runner, as well as an athlete who can break off the long gain.

Clewiston's most dangerous player may be wide receiver-defensive back Melvin Williams. He threatens defenses with instant touchdown making potential on each play. Williams is deadly as a defensive back as well, and has picked off 12 interceptions this year, including seven in the playoffs.

Joining Clewiston's runners is Pete Walker, who stepped into the quarterback position after an injury sidelined Robert Holmes and led Clewiston from the first game of the season.

Clewiston's defense features Sammy White at nose guard, John Reid at defensive tackle, and Ralph Brockington and Willie Benson at linebackers.

Other outstanding linemen for Clewiston include 270-pound tackle Randy Dixon, sophomore tackle Wyclyffe Lovelace, center Mike Pittman, guard David Pittman, and guard Keith Thomas.

"There are few teams that can drive on us for more than 50 yards," said Morrell. "We just want to go on defense with our best 11 and do the best with them."
